delivering mobile expertise

NETWORK AND LEARN ABOUT CELLEBRITE'S LATEST OFFERINGS

Cellebrite is back this year as a Platinum sponsor of the 2015 National Cyber Crime Conference, and they are pleased to invite you to a networking reception on Tuesday, April 28th, 5:00pm – 7:00pm in Zachariah's at the Four Points Sheraton! Attendees will enjoy complimentary cocktails and hors d'oeuvres while also being entered into a raffle for a **\$200 gift card!**

This is your opportunity to join law enforcement officers from around the country to discuss issues, successes and concerns in mobile forensics. Cellebrite staff will also be on hand to answer your questions about its mobile forensics products, including **a number of new offerings** that will be available for you to demo at our booth and during open lab with hands-on self-demos.

In addition, Cellebrite is offering their **Certified Logical Operator (CLO) Course** as a pre-conference training designed for the first responder and the basic to intermediate investigator / examiner. Click here for more information or to register:

<https://www.cellebritelearningcenter.com/course/preview.php?id=607>

Cellebrite will also be hosting 5 hands-on labs covering basic to advanced mobile forensics processes, along with a special CCME Exam Prep session on Wednesday, 4/29. Don't miss these and other exciting Cellebrite-sponsored lecture and panel sessions!
